Announcement

Miles-of-View and Bluemont Farms herds are well known. Foundation stock was carefully selected and herd sires have been well chosen. Several show ring champions in recent years were bred in these herds.

Clinton Tomson, representative of The Shorthorn World, has seen the entire offering and will be glad to answer any questions or handle bids for those who request him to do so.

The sale will be held under cover at Miles-of-View Farms at 130th and State Line, 1 mile west and $\frac{1}{2}$ mile south of Martin City, Missouri.

Lunch will be served by the Ladies' Aid Society at 12:00 Noon. Sale at 1:00 P. M.

Miles-of-View Farms

IMPORTED SCOTSTON AIRMAN 1873325

The top selling bull in the International sale of 1936. He comes from the Scotston herd owned by Major W. B. Robertson, Dunfermline, Scotland, and was imported by F. W. Harding. He is by the great bull Balcrain Boleta by Naemoor Gaffer and is out of Augusta Esta by Collynie Royal Escort by Calrossie Blythe Prince. Calves of this bull are uniformly low-set, thick, and blocky, and practically all of them are a deep solid red. Eight of the cows and heifers in this sale are bred to Imported Scotston Airman.

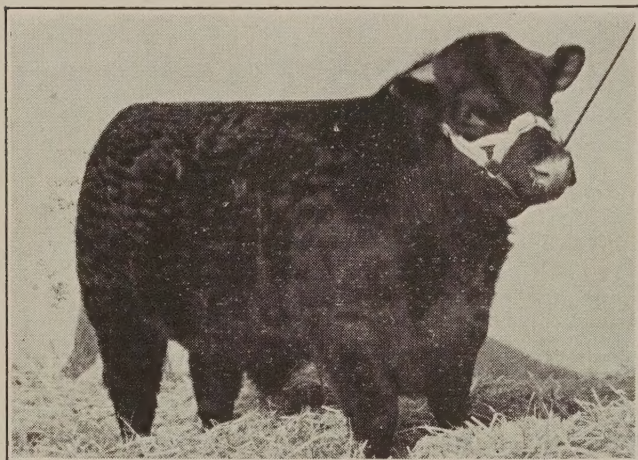

Miles-of-View Farms is both a Kansas and Missouri pure bred Shorthorn establishment. The Farms consist of four hundred fifty acres, half in Kansas and half in Missouri, and lie ten miles south of the city limits of Kansas City, at what would be 140th Street and State Line Road. It is one mile north of Kenneth, Johnson County, Kansas.

The Miles-of-View pure bred herd is composed of one hundred (all ages) highly bred Scotch Shorthorns. The policy in handling this herd, from the first purchase, was to add no female that was not calculated to improve the herd as a whole. Results, we think, have been outstanding. One of the first cows purchased was the outstanding cow, Carmen, granddaughter of the great bull Prentice. She came from Bluemont Farms. She dropped a bull calf in 1933, the first calf born at Miles-of-View. This calf was Gainford Marshal, who became the International Grand Champion of 1937. Each year since 1932 has brought a few more top sale and show heifers from the greatest of breeding establishments, Edellyn Farms, Raveni Farms, Robinwood Farm, Helfred Farm, Sni-A-Bar Farms, Anoka Farm, and others.

In the Miles-of-View herd is the 1936 Junior Champion, Helfred Verbena 3d, and other cows of similar worth. From one of these original purchases came our famous Secret family, one of which, the state fair champion, Miles-of-View Secret, was also the first-prize winner as a junior yearling at the 1938 International. We have striven for one type of compact, blocky, low-set dams.

The bulls have been as carefully selected. We are now using a senior herd bull, Imported Scotston Airman, top of the International sale of 1936. His first crop of thirteen calves were sold at a sensational auction in Chicago by Anoka Farm which was practically dispersing its herd. Cows bred to Scotston Airman, and those with calves at foot, brought the highest average in ten years. Several

MILES-OF-VIEW AIRMAN 1932655

A junior herd bull, red, now ready to enter service at Miles-of-View Farms. He is a soggy, thick, low-set red son of Imported Scotston Airman, with a wide short head of masculine strength. He is out of Sni-A-Bar Emma 3d, a great cow from the show herd of Sni-A-Bar Farms. She is by Sni-A-Bar Pretender by Prentice and is out of Emma Cumberland by Oakdale Stanmore of the Cumberland line. Her grand dam is by Village Perfection by Villager. She has produced three great calves, all standing first or near the top in show herds.

imported cows, whose calves by Scotston Airman attracted such attention, are now in the Miles-of-View herd, among them the dam of the ten months old bull calf by Scotston Airman which sold at the Gregg Farm for \$1,500.

As a junior bull, we are using the two-year-old Red Crown by the American Royal first-prize winner, Sni-A-Bar Crown and out of Sni-A-Bar Emma 3d, a great breeding and show cow. A second junior herd bull now ready for service is Miles-of-View Airman by Imported Scotston Airman.

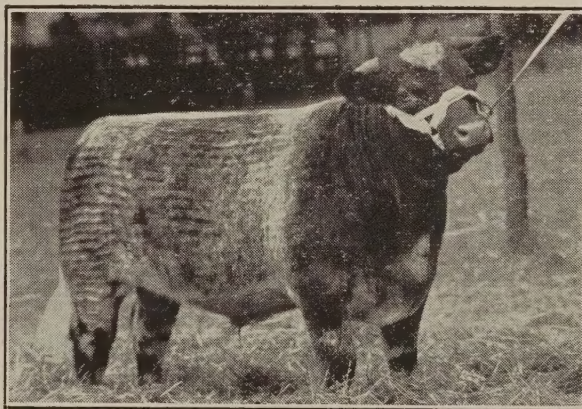

The herd is entirely free of contagious abortion and also free of tuberculosis. There are neither suspicious nor reacting cows in the herd.

In charge of the herd is James Reid, formerly chief herdsman of Sni-A-Bar Farms, and widely known among Shorthorn breeders.

Visitors always cordially welcome.

Roan. This grand, smooth, low-set young bull, top of the Sni-A-Bar 1935 sale, was first-prize winner at the American Royal, and was first at all the state fairs where shown that year. He is by Imported Baronet, and is the sire of our prize-winning Red Crown. Five of these sale daughters of Imported Scotston Airman are in calf to Red Crown, who may be seen sale day at the farm.

SNI-A-BAR CROWN 1805642

Bluemont Farms

SNI-A-BAR CLAYMORE

Sire of Lots 4, 5 and 7 in this sale.

The Bluemont Farms herd is handled on a very modest and practical basis. No cattle are shown, no nurse cows are used. Particular attention has been given to the development of bulls which will make good in the hands of their purchasers, either as show cattle or as sires of market topping steers. The cows retained in the herd are of the most modern beef type yet give enough milk to raise their calves well. The great majority have to be milked for a month or more after calving and again when their calves are weaned.

The only Shorthorn bull to go through the entire show circuit without defeat in recent years was Gainford Marshal, bred by Bluemont Farms and exhibited by Mathers Brothers. Sni-A-Bar Fanciful, junior champion at Des Moines and the most frequent winner as a senior calf in the 1938 circuit was out of a Bluemont-bred cow.

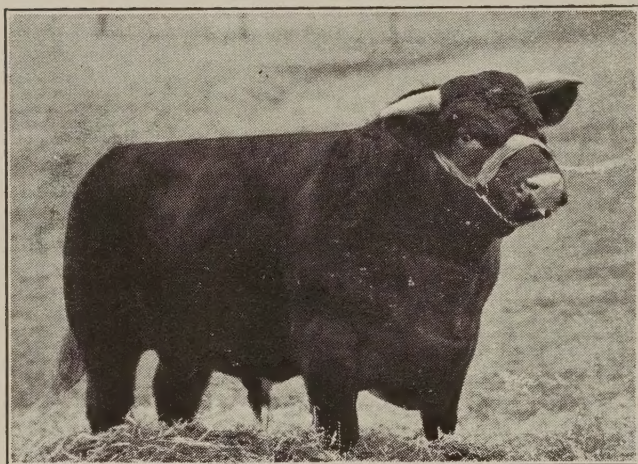

Herd bulls have been selected with care; Marshals Emblem demonstrated his ability to sire show cattle when used by Symms Brothers, Troy, Kansas. Sni-A-Bar Claymore was used successfully by J. E. Smith, Richland, Ia. He is by the same sire as the International Grand Champion Sni-A-Bar Ensign and out of the same dam as Sni-A-Bar Gipsy King, the sire of the grand champion Shorthorn steer at the 1936 American Royal. Sni-A-Bar Baron's Pride, a son of Imported Baronet and the sire of the steer Sni-A-Bar Favorite which created a sensation at Denver, San Francisco and Fort Worth, is now in use.

The herd is under the direct and capable management of Neil Wishart, Manhattan, Kansas. The object of Bluemont Farms is to feed all of the grain and forage produced on the farm and to breed Shorthorns which will convert it into useful beef cattle.

W. A. COCHEL, Owner.

MILES-OF-VIEW SULTAN 1902176

A fine individual with a perfect pedigree. Solid red, with a great head, lots of bone, square body, thick and smooth. Would make a top bull in any herd. Son of the famous International Grand Champion, Sultan Browndale, who has made such a record for Edellyn Farms. This calf is out of Edellyn Clipper 18th, a great daughter of the famous Raveni Leader, who was All-American junior champion bull. Where would you find any better breeding?

DIANA is another daughter of Sni-A-Bar Baron's Pride. A sire of show cattle. Her dam is by Marshal Rodney, sire of an International grand champion. Her grandsire is by the son of Prentice out of a Rodney cow. Such a combination of herd sires at the top of a pedigree is a guarantee of the outcome. The Dorothy family are not only beef cattle but sire heavy milkers. A Shorthorn ideal.
